

## Recruitment AI Agent – SOP Workflow

### Tools Used

- **LinkedIn** – Job posting and candidate sourcing
- **Google Sheets** – Recruitment tracker/database
- **Google Drive** – Resume storage
- **Gmail** – Candidate communication

### 1. Applicant Data Entry & Tracking

#### Current Process:

Recruiters manually input candidate details such as name, email, role applied for, resume link, and source.

#### Suggested AI Agent Tasks:

- Detect newly added candidate in the Google Sheet.
- Validate required fields:
  - Candidate Name
  - Email Address
  - Position Applied
  - Resume Link
  - Source (LinkedIn, Referral, etc.)
- Automatically assign an **Application ID**.

### 2. Resume Storage Organization

#### Current Process:

Resume link is added to the recruitment tracker.

#### Suggested AI Agent Tasks:

- Create a **candidate folder in Google Drive**.
- Rename resume file using format:  
**Position – Candidate Name – Resume**
- 

### 3. Application Acknowledgment Email

#### Current Process:

Candidate is entered in the recruitment tracker.

#### Suggested AI Agent Tasks:

Automatically send acknowledgment email via **Gmail**.

Example email content:

- Thank candidate for applying
- Confirm role applied for
- Inform them that the recruitment team will review their application

#### 4. Candidate Status Monitoring

##### Current Process:

Recruiter updates candidate status in the **Google Sheet**.

##### Current Status Stages used by the Team:

- Pending Response
- Interview - Romega
- Endorsed - Client
- Final Interview
- Offered
- Hired
- Failed
- No Show
- Unresponsive (>7 days)
- Consider for other positions
- Candidate Declined/Withdrew

##### Suggested AI Agent Tasks:

- Monitor status updates.
- Track recruitment pipeline automatically.

#### 5. Candidate Communication Automation

##### Current Process:

Recruiter changes the Candidate status in the tracker.

##### Suggested AI Agent Tasks:

###### If Interview Scheduled

- Send interview invitation email through Gmail.

###### If Rejected

- Send polite rejection email.

###### If Hired

- Send congratulatory email and notify HR for onboarding preparation.
